

### *Request for Information*

Applicant and the assignee of this application are required under 37 CFR 1.105 to provide the following information that the examiner has determined is reasonably necessary to the examination of this application.

Examiner has reviewed the claims and would like to know where, specifically, the mathematical coefficient presented in claim 4 and equation presented in claim 6 came from. Specifically, Examiner requests that the Applicant provide references to textbook(s), publication(s), etc. where the coefficient and equations of claims 4 and 6 can be found. If the equations are derived from existing equations, Examiner would like to know where the existing equations can be found.

The fee and certification requirements of 37 CFR 1.97 are waived for those documents submitted in reply to this requirement. This waiver extends only to those documents within the scope of this requirement under 37 CFR 1.105 that are included in the applicant's first complete communication responding to this requirement. Any supplemental replies subsequent to the first communication responding to this requirement and any information disclosures beyond the scope of this requirement under 37 CFR 1.105 are subject to the fee and certification requirements of 37 CFR 1.97.
